Mini-Camp

Held at the Muhlenberg County Agricultural Center
Highway 189 Bypass, Powderly, KY

The Mini-Camp is designed to offer instruction and practice time in all areas of the game. We feature small group instruction as the campers move through the camp stations as a part of a team of campers of similar age and skill level. Our experienced instructors adjust the level of instruction to each group of players. There are some fun activities but Championship Softball is geared towards players who are looking to improve their skills by working with the best instructors available.

Hitting is an area of emphasis with time spent each day on instruction, trouble shooting and practice time. Drills to improve mechanics and bat speed are included to allow players to take new ideas home with them to allow them to continue to improve long after they leave the camp.

Defensive skills will be stressed with several sessions on fundamentals and skills specific to the position each camper plays. Pitching, catching, infield and outfield skills are all covered as a part of sessions designed to give each player an opportunity to work on the position they play.

All Mini Camp activities are held indoors. Weather will not impact the Mini Camp and it will be held rain or shine.

Instructional sessions are:

Hitting Drills I	Base running
Hitting Drills 2	Throwing and Fielding
Hitting – Cage work	Advanced Bunting
Bunting/Slapping	
Defensive Fundamentals	

Position Work - Instruction is included at each player's primary position.
8 sessions are taught during the Mini Camp camp.
